Dear Hiring Manager,

I am excited to be applying for the Engineer position at Goldman Sachs. This specific role perfectly captures what I hoped to achieve as an engineer when starting my career journey. The work your company does is fascinating, and I have read in great detail about the cutting-edge technology being utilized. This position would help set me on the right path to achieving my career goals. I'm a tech enthusiast, someone who is eager to learn new things constantly. If given a task out of my scope of knowledge I'll make sure the task gets completed by learning the things that will help me in completing the task and GS have collaborative, team-focused culture and which will challenge me to learn and grow my skills, so i am eager to work at GS for sure. Thank you for your time and consideration. I'm looking forward to learning more about the Engineer position and about Goldman Sachs. I look forward to hearing back from you.

Sincerely,

Piyush Nagpal
